

## Community Conversation Reunion Event

The purpose of this event is to once again actively engage our community by following up on the themes that were created in the fall of 2017. Our themes help guide us in meeting the evolving needs of our learners to ensure college, career, and community readiness.

Specifically, we will:

- (1) Recapture the excitement and enthusiasm from the engagement event last fall
- (2) Share out the work that has been done to date on the community's themes
- (3) Identify reactions, questions and suggestions to guide future efforts in meeting those themes
- (4) Strengthen the connection between the community and the school district
